STADIUM BMX PRESENTATION

Studied for the 2012 Olympic Games France's application, the National Velodrome's building project on the Urban Community territory of Saint-Quentin-en-Yvelines has developed through talks to become the official National Cyclism Centre.

Certified by UCI for international competition, the BMX Stadium hosted several national sports events like the France Championship (2014) and French Cups (2014-2015). The only stadium fully covered in France, it offers practices and competition with optimal conditions for the french and international athletes.

The layout consists of four straight lines including two duplicated and three curves coated, on a total length of 410 metres. Equipped with 8 metres mound where is installed a Pro Gate starting grid and another starting grid which measures 5 metres, the stadium can host the biggest competitions from regional to international level. Fitted with a permanent stand of 900 seats, more than 1800 spectators can be host thanks to the establishment of others stands.

Inaugurated on early 2014, the stadium also hosts others public users for sports practices or initiations particularly on the pump track which is next to the BMX track.

NOTE FROM THE PRESIDENT

The BMX planet will meet at Saint-Quentin-en-Yvelines

After the organization of the French Championships in 2014 and three French Cups (2 in 2014 and 1 in 2015), the French National Cyclism Centre will soon host its first worldwide event : the UCI BMX Supercross World Cup.

The International BMX Stadium of Saint-Quentin-en-Yvelines will be the venue of the first two UCI BMX Supercross World Cup 2018 rounds that will occur the Saturday, 31th of March and the Sunday, 1st April.

Those two World Cup steps will give the start of the 2018 edition of a competition that will include 8 rounds in total. The best riders on earth (more than 250 athletes representing close to 25 countries) will compete on the 400 meters track located near l'île de loisirs of Saint-Quentin-en-Yvelines.

I would like to thank the city of Montigny-le-Bretonneux, Saint-Quentin-en-Yvelines, the Yvelines department General Council, the Ile-de-France Regional Council, plus the several financial and sport organizations and institutions. They have worked together specifically for this wonderful continental event.

Welcome to all, athletes, Nations, partners, media and spectators we wish you all an excellent competition and a great show.

Michel CALLOT

President of the
French Cycling
Federation

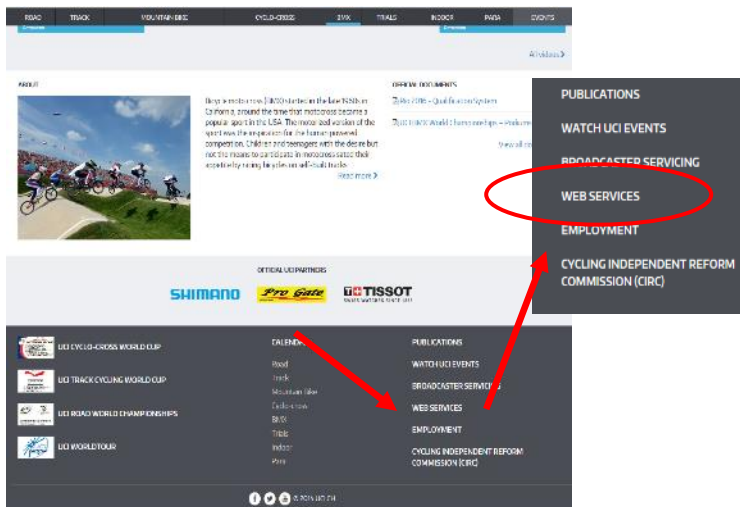

REGISTRATION

PROCESS

You can enter through the UCI website with this link :
